

# Convertible High Chair, Dottie Lime

## Description

The Evenflo Convertible High Chair is a convenient and durable high chair that is filled with value. Featuring three unique seating positions, it transitions baby to independent feeding and play. From high chair to Right Size Table and Chair, your child will get years of feeding and fun from this bold, vibrant high chair.

Transitions baby to independent feeding & play by offering three unique positions:

- **High Chair:** Stacked to create a full-size high chair, this position offers a perfect height for interactive feeding between caregiver and child.
- **My Time Chair:** When removed from the tabletop, the My Time Chair can be placed directly on the floor allowing the child to place their feet firmly on the ground creating an optimal seating environment for a growing child.
- **Right Size Table and Chair:** As baby grows to feed more independently, this position offers a great environment for baby to dine and play independently.

## Use & Care

- For use with children weighing up to 40 pounds
- Read all instructions and warnings on the product, product labels, and instruction manuals before use.
- Wipe pad clean with mild soap and warm water
