Digital Webcam 2MP with Adjustable Focus and Clip

Product code: CVLM-I249

This Compact 360 degree Rotatable Webcam conveniently clips to your computer giving you instant plug and play features and exceptional imagery. With a 30mm infinity adjustable focus, 30 frames per second natural motion feel and a 2 Mega Pixel 640x480 resolution, this Webcam is a great buy for you and your family.

In addition, you will find it simple and intuitive to use. Simply Attach and Clip then Plug and Play. It's as simple as 1,2,3 after you've installed the handy CD! Its USB cable will connect to any computer or similar device with a USB connection capacity.
