We're all about multi-functional design, are you? Create a versatile storage and display area for any room in your home with this TV cart from the Mainstays collection. It accommodates up to a 32" TV, making it the perfect spot for all-day movie marathons, binge watching your favorite show or endless hours of video games with your friends. Its spacious top surface also acts as an ideal spot to conveniently store and display items like stacks of magazines, decorative plants, your array of knick-knacks and photos of your family too. Its lower open shelf provides you with an additional space for items like your video/gaming components and organizing bins. Roll it wherever you need it! It features four easy-roll casters for mobility along with two that have the ability to lock so you can keep the cart from rolling away. Its simplistic style and design make it a great fit for any room in your home. Finished in True Black Oak, this handy TV cart is just what you need!
