

## **19" AOC 931Sw1 720p Widescreen LCD Monitor (Black)**

This 19-inch 16:9 widescreen monitor features a viewable image size of 18.5-inch and a 1366 x 768 resolution. Fast action videos are crystal clear not blurry thanks to the fast 5 ms response time. Plus, its 200 cd/m<sup>2</sup> brightness and 10,000:1 dynamic contrast ratio means images are displayed with fine details.
